

Smisby Day Nursery

Policy

Subject: Personal Toys

Personal toys brought into the nursery can be lost or damaged and cause your child to become distressed. They may also cause interest amongst the other children and have to be removed until you collect your child.

Therefore children should not bring personal toys into the nursery at any time. The nursery will not take any responsibility for toys that are either lost or damaged when brought into the nursery.

On the other hand some children find Nursery toys attractive because they enjoy playing with them. We "lose" them at a prodigious rate. We would ask all parents that if they see their child outside the Nursery with a toy which is not theirs to bring the toy into Nursery and ask a member of staff if it does belong to the Nursery. We will always be honest and tell you if it is ours and we will then work out a strategy to help the children understand what they can, and cannot, take home.
